Marketing and Promotion is ...

- ❖ Library has a Juvenile Collection of about 30,000 pieces
- ❖ At the time we started Roving Exhibits, the Juvenile Collection was on the 6th floor of the Library; in 2013 it was moved to 3rd, still not immediately in view.
- ❖ Despite its target population being education students and faculty, they use the local public library more.
- ❖ Instruction classes I've taught often have no idea we even had a Juvenile Collection or, if they knew we had it, they had no idea how helpful it could be.

LGBTQ Month: June

Lesbian, Gay, Bisexual and Transgender Pride Month (LGBT Pride Month) is celebrated each year in the month of June to honor the 1969 Stonewall riots in New York City. In June of 1969, patrons and supporters of the Stonewall Inn staged an uprising to resist the police harassment and persecution to which LGBT Americans were commonly subjected. This uprising marked the beginning of a movement to outlaw discriminatory laws and practices against LGBT Americans. Today, LGBT Pride Month celebrations include pride parades, picnics, parties, workshops, symposia and concerts, and these events attract millions of participants around the world.
